

SUN BEAMS

by WALTER M. BARRETT

Not since 1918 has the need for Red Cross aid been so sorely felt and everyone should be a contributor to this worthy, non-profit, philanthropic organization. It is not difficult, with hourly reports being circulated, to imagine the untold suffering in war-torn Europe. Innocent victims, women and children, young and aged, are all sad victims of the onslaught and into the breach with all haste rushes the Red Cross. How far reaching the aid to be offered by this organization can be determined only through the donations forthcoming. Although a bit late in starting our local drive, we may rest assured that Truckee, as usual, will do more than her share. We are glad to report that Tahoe has already raised more than \$117 and more donations are still coming in.

Tomorrow afternoon you will be called upon to elect trustees for the two local schools. Show your interest in the welfare of our schools by going to the polls and casting your ballots for your choice of candidates.

Officers of the Sierra Fish Planting club and the Truckee Outing club, representing our chief sources of revenue, report they have noticed no precipitous inclination on the part on new members to sign the rosters and pay their small share of the cost of promoting summer and winter recreational facilities in this region. With the summer season now upon us and everyone more or less rushed with business affairs for a change—after a somewhat listless winter—it is hard to give thought to the future, but it is inevitable and we should make early preparations to keep abreast or ahead of competing communities in the years to come. These two organizations are willing to devote time as well money to the cause but they ask others interested in the future of Truckee to show signs of encouragement by taking out memberships.

A visit to Lake Tahoe will show why more and more people are choosing that beautiful resort center for annual vacations.

LIONS GO THROUGH LAUNDRY AT MEET

Members of the Truckee Lions club last night learned how a modern, efficient laundry operates when they were guests of Al Fontana on a tour of inspection of one of Truckee's largest establishments, Fontana's Laundry. Latest type equipment, operated under modern methods and with only highest grade soaps and materials have accounted for the growth of the institution over ten years from a small washer and one man to a plant unequalled in a town many times larger, with a score of employees.

Fontana explained the methods of laundering clothes to prevent needless wear and tear under sanitary conditions. A huge new boiler, replacing a smaller one, is the latest installation at the plant.

JEFFORD SELLS

Alvah Hooper and Walter L. Weaver of Grass Valley took over ownership of the W. R. Jefford and Son Funeral Home last Saturday. Hooper has been a licensed embalmer since 1916 and is president of Hooper-Weaver, Inc. Weaver has been in the business in Grass Valley for the past six years. Both men are deputy county coroners.

L. R. "Bob" Jefford, former manager of the establishment did not make his future plans known other than that he will devote the coming year to service in the Lions International.

GRAMMAR SCHOOL GRADUATES HEAR LOCAL MINISTER AT EXERCISES ON TUESDAY

The closing of the Truckee grammar school on Tuesday evening June 4th was marked indelibly upon the thoughts of the graduates by the entertaining program which was well received.

Rev. G. J. E. Keetch gave an inspiring talk and Renee Hart, valedictorian addressed the audience.

The graduates were the guests of Mr. and Mrs. Harold M. Hart after the exercises. They were George Kamp, Violet Holgate, Nick Sassarini, Peggy Miser, Betty Bick, August Esola, Sam Costa, David Bollender, Dick Weeks and Bill Waters.

Interest Centers On Local School Election Friday

Greene Announces He Is Write-in Candidate At Polls

SNIDER NOT RUNNING

Contest Looms in Grammar School Voting At Election

In a statement to the Sierra Sun this week, H. I. Snider, for ten years a member of the Meadow Lake Union high school board of trustees, disclaimed a desire to seek re-election as a write-in candidate. At the same time, Lloyd A. Greene, local merchant, announced he would seek election via the write-in method.

In making his announcement, Mr. Greene declared he would seek higher standards for the local high school without an increase in cost.

"Since my spare time the next few years will be fully utilized," Snider said, "in concentrating on other civic betterments, especially in connection with winter sports projects, I respectfully ask that no write-in votes be cast for me during the high school trustee election this week. I have enjoyed the past ten years work on the board and feel a satisfaction in knowing the high school is now operating under good standards of education, except for a satisfactory place in which to carry on physical education such as a gymnasium."

In the election to be held at the grammar school tomorrow afternoon, two members of the high school board will be chosen. V. E. Pearson is the only candidate who will appear on the ballot and a second should be written in by the voter.

On the grammar school board the incumbent, Mrs. George Kamp, will be opposed by Clarence Bowers, both of whom have filed and whose names will be on the ballots.

NEW FIRE TRUCK FOR TAHOE AREA

A new ton and a half fire truck, equipped with a 280 gallon tank and 1000 feet of hose and other necessary equipment has been secured by the Tahoe National Forest for the Tahoe station. The truck will carry four men and replaces an old Ford truck.

ENROLLMENTS TO DECLINE IN STATE

High school enrollments in California's public schools will reach their peak next year and start a long downward trend in 1941-42, according to California Taxpayers' association, in a study of school enrollments. The association said that in spite of an up-trend in population, the 1940-41 enrollment probably would not be exceeded until 1952-53.

Average daily attendance for Meadow Lake Union high school at Truckee already showed a decrease from 53 in 1935-36 to 31 in 1938-39.

High school enrollments are drawn from children attending elementary schools in preceding years. In 1938-39, the association found that the eighth grade enrollment of 97,880 exceeded any other grade save the first. It is also the largest eighth grade enrollment in the history of the state. Thus the peak will be reached in high schools in the current year. The fifth and sixth grades lag 6,000 each behind the eighth and the seventh is 1,500 behind in enrollment.

"For many years taxpayers have been burdened with increasing school costs attributed to increasing enrollments. Now enrollments are decreasing, costs of the public schools should begin to decrease," the association concluded. "The only way taxpayers can assure themselves that these decreasing enrollments will be reflected in lower school costs is by vigorous insistence that their local school board members reduce school taxes in line with decreasing enrollments."

JUDGE JONES SEEKS TO RETAIN POSITION ON COUNTY COURT

Judge George L. Jones of the Nevada county superior court, announced this week that he will be a candidate for election to the ensuing term. Jones was appointed to the position by Governor Merriam 18 months ago to fill the unexpired term of Judge Raglan Tuttle, who resigned to go to the third appellate court bench.

Previous to his current service, Judge Jones had served for three terms and voluntarily resigned. Tuttle succeeded him at that time. After an interim devoted to other interests, he again assumed the exacting duties of the office and is administering them to the complete satisfaction of his constituency.

Beside being a capable jurist, he has contributed greatly to the civic betterment of the entire county.

Jones is especially well thought of in Truckee where he spent much of his early life.

COLFAX EDITOR IS CANDIDATE AGAIN

Allen G. Thurman, Colfax editor and incumbent assemblyman representing this district, last week filed for re-nomination at the primary on August 27th. In keeping with his normally non-partisan attitude, he has filed for both major party nominations.

Thurman did not miss a day at his desk during either the regular session in 1939 or the special sessions in 1940. He believes that the experience he has gained will be valuable to his constituency as well as to himself.

BUCKHORN INN TO OPEN SATURDAY

Lake Tahoe interest Saturday night will center on the Buckhorn Inn at King's Beach where Manager Jerry Rayburn promises an outstanding entertainment to mark the opening of the summer season at the popular resort. A free dance and barbecue are advertised and everyone is invited to join in the festivities. Mrs. Rayburn, an engaging hostess, is assuming management of the Buckhorn this year.

TRUCKEE GIRL TO MARRY ON SUNDAY

Mr. and Mrs. John Wolert have announced the engagement and approaching marriage of their daughter, Miss Barbara Bollender, to Ernie Dugan. The ceremony will take place in Reno on Sunday, June 9th, with members of the immediate families present.

The bride-elect graduated from the Meadow Lake Union high school last year.

He fiance has been employed here for some time and it is expected that the couple will make Truckee their future home following the wedding service.

LOCAL MAN INVOLVED IN FATAL ACCIDENT

A coroner's jury at Auburn Friday returned a verdict holding as unavoidable the accident which caused the death of Mrs. Mona Wolfe, Sacramento.

Mrs. Wolfe was killed when she fell from the auto which her husband was driving and was crushed beneath the wheels of a car driven by C. Edmunds of Truckee.

Her husband testified he tried to prevent her falling but was unable to do so.

Mrs. Wolfe resided here a short time ago while her husband was employed at the Donner airway station.

William Jack Rose, 21, transient, is being held in Reno on charges of burglary following his arrest here Monday by Patrolman Jack Thielan. The officer was advised by businessmen that Rose was trying to sell jewelry which it was later learned was stolen from a Reno store. The loot was valued at \$400. He was taken to Nevada City for questioning by Patrolmen Thielan and Arthur C. Barrick before being returned to Nevada.

Show-Off Will Be Attraction Here Saturday

Cast Prepared to Offer Lions Benefit Production At School

AT TAHOE MONDAY

Ticket Sales Indicate Show Is To Be Attended By Large Crowds

The widely publicized and much talked of Show-Off, the Truckee Lions club's benefit home talent performance will go into dress rehearsal tonight with all nine Truckee thespians well versed and proficient in their roles for the curtain Saturday night at 8 o'clock in the Grammar School auditorium.

More than two months intensive work stands behind the show as a guarantee of its excellence. The members of the cast have worked hard under the capable directorship of Mrs. W. F. Wilkie, Sr. Reports from the rehearsals would indicate that the three-act comedy, written by George Kelly, will be an attraction well worth the filling to capacity of the large auditorium. The play is an outstanding Broadway hit.

On Monday evening the cast will travel to Tahoe City where, it is reported the seating capacity has been nearly filled with advance ticket sales.

The story has won the approval of eminent theatrical critics and is offered here with scenery and stage effects wholly in keeping with the original plans. The scenery has been prepared at no little expense by W. M. Englehart, Jr., local artist and promises to be a suitable background for the production.

POPULATION DOUBLES IN NEVADA COUNTY

The population of Nevada county has nearly doubled in the last 10 years, according to a preliminary report by Robert E. Shields, district supervisor of census at Roseville. According to the 16th decennial census, taken as of April 1st, 1940, the population of the county is 19,224 as compared with 10,596 on April 1st, 1930. The 1940 figure is subject to correction but is believed to be substantially correct by Shields.

The number of farms in the county, as of April 1st, 1940, is 515, as compared with 511 on January 1st, 1935 and 539 on April 1st, 1930.

RELIEF LABOR TO BE SOUGHT FOR PROJECT

Looking for the possibility of using local relief labor on winter sports developments, Ranger H. I. Snider is seeking to find if there are any local residents now desiring to be certified for State Relief Administration work. Qualifications which must be met are as follows:

Those who have received relief from SRA prior to Feb. 1, 1940, must have one year's residence in California. Those who have received relief from SRA between Feb. 1 and June 1 must have had three years' previous continuous residence in the state. Those who have not received SRA relief before June 1, 1940, must have had five years residence in California before their applications can be accepted. Applicants must be citizens and not on any other form of relief or government pension.

LOCAL DELEGATION ASKS FOR LIBRARY

A delegation from Truckee headed by Mrs. S. M. Richardson was present at a meeting of the board of supervisors Tuesday to ask for the establishment of a county so a branch could be obtained here. C. B. White of Truckee and Judge George L. Jones of Nevada City spoke for the project. The board took the matter under advisement and Mrs. Richardson said that indications were toward a favorable action.

HIGH STUDENTS WILL GRADUATE ON FRIDAY NIGHT

Commencement exercises for class of 1940, Meadow Lake Union high school has been outlined for Friday evening. It will held in the grammar school auditorium.

The program is as follows: march of the graduates, accompanied by Miss Anne Giovannoni; invocation, Rev. William Daly; piano duet, Betty and Verna Pearson; salutatory, Zelda Petroni; violin solo, Yvonne Joseph; valedictory, Dorothy Barrett; address, Prof. J. F. Puffenberger; accordion solo, Kenneth Foster; presentation of class, G. E. Hofmann; presentation of diplomas, H. I. Snider, president of board of trustees; benediction by Father Daly.

The graduates are William Preston, Yvonne Joseph, Zelda Petroni, Anne Schmidt and Dorothy Barrett.

A dance with music by the Russ Kline orchestra will be held immediately following the ceremony. A small charge will be made to defray costs of the affair.

HENRY LOEHR IS NEW LEGION COMMANDER FOR TRUCKEE POST

Henry Loehr, adjutant for the past year, was elected commander of Truckee Post 439, American Legion, at a meeting held Tuesday night. He succeeds Walter M. Barrett who will be installed with other new officers at the July meeting.

Other officers chosen by the post for the ensuing year were Earnest Siri, first vice commander; Bert T. Weeden, second vice commander; William Campbell, chaplain; Vernon Pearson, adjutant; John Scapenelli, sergeant at arms; Frank Kinne, service and finance officer; Charles Pierce, historian. James McIver, H. O. Anderson and Frank Holt will serve on the executive board with Loehr and Barrett.

The post voted a contribution of \$5 to the American Red Cross to aid the European war sufferers. Plans for the new building were discussed and McIver met with the board of supervisors yesterday to ascertain when furniture and other appointments may be anticipated.

11 O'CLOCK SERVICE OUT FOR TWO WEEKS

There will be Sunday school at ten o'clock and Young People's League at six o'clock as usual next Sunday and the following Sabbath, but no service at eleven, due to the absence of Rev. G. J. E. Keetch. The 7:30 vesper service at Tahoe City will also be postponed for the two Sundays.

LOCAL PASTOR TO ATTEND GRADUATION

Rev. and Mrs. G. J. E. Keetch left Wednesday morning for Redlands where their daughter, Mary, is being graduated from the University of Redlands.

From Redlands they plan to go to Santa Cruz to attend the annual meeting of the California Methodist Conference.

TAHOE VISITORS HAVE GOLDEN ANNIVERSARY

Mr. and Mrs. Henry Tucker of San Mateo are visiting at the home of their daughter, Mrs. Andy Sorenson of Tahoe Vista, this week. The couple observed Golden Wedding anniversary at Tahoe yesterday.

On Sunday they celebrated the occasion of 50 years of married bliss with 60 relatives and friends at their peninsula home. On Monday they motored to the lake with Mrs. Sorenson.

He is the grandson of Reasin P. Tucker, the leader of the first Donner rescue party, and is very interested in this region.

SEW FOR RED CROSS

C. B. White, local Red Cross chairman, has announced that all women desiring to sew for the organization's relief fund should contact Mrs. Alva Tonini, who is assuming charge of the project during the absence of Mrs. Keetch.

Veteran Local Plumber Dies After Attack

Heart Ailment Is Fatal To Bob Maxsom Pioneer Resident

COMMUNITY SHOCKED

Local Sportsman Fails To Respond To Medical Treatment

Death this morning summoned another of Truckee's pioneer residents when J. B. (Bob) Maxsom, 70, expired in a Reno hospital where he had been under treatment for the past two weeks with a heart ailment. Although his condition had been described as serious, it was believed he was recovering when he expired suddenly while conversing with a nurse.

A native of Canada, Mr. Maxsom came to this district more than 40 years ago, settling at Boca where he was associated with the late Robert A. Tonini, a life-long companion. He shortly after came to Truckee where he engaged in the plumbing business, an occupation he followed until his recent fatal illness.

He is survived by his widow, a resident of Truckee, and a daughter and son. His son, Jesse, is employed by the Sierra Pacific at Carson City.

Maxsom was a devout sportsman and spent his leisure hours hunting and fishing. His death will be a sad blow to the community and deepest sympathies are extended to his family by a legion of friends.

PRECIPITATION OVER NORMAL IN TRUCKEE

Precipitation for the month of May at Truckee was 1.35 inches or .51 of an inch over normal, according to District Ranger H. I. Snider. This brings our total for the season since Sept. 1, 1939, to 35.85 inches, being 13.02 inches above normal as of May 31st.

Eleven hundredths of an inch of moisture fell during the thunder shower Tuesday night.

Recent storms have been very beneficial to livestock ranges which give promise of producing more forage this year than they have for several years, Snider declared.

\$150,000 FOR TAHOE ROAD IS SECURED

Culminating a long campaign for of roads in this vicinity, Representative Harry L. Englebright sent the following telegram to the Sierra Sun this week:

GLAD TO TELL YOU I HAVE SECURED ALLOCATION OF ONE HUNDRED FIFTY THOUSAND DOLLARS FOR TAHOE BROCKWAY FOREST SERVICE HIGHWAY PROJECT.

HARRY L. ENGLEBRIGHT, MC

MRS. TITUS NO. 1 ON LOCAL CROSS FUND

Mrs. Frank Titus this week was the first contributor to the Truckee quota for the Red Cross drive for war relief funds. The local chapter, under the chairmanship of Charles B. White, is making an appeal to the generosity of the people of the community to help those whose lands are being torn by the ravages of war.

Contributions to the fund in Truckee are being made through Mr. White or the Sierra Sun office. The drive in Tahoe City, which started two weeks before the Truckee movement, is being headed by Justice Evelyn Bliss. Besides Mrs. Bliss, the Tahoe branch library at Tahoe City is a depot for the fund.

Beside Mrs. Titus, other Truckee contributors up to Wednesday morning included Leonard Harmon, Summit Lodge No. 54, Knights of Pythias, Truckee Lions Club, American Legion Post 439, Frank Gaiennie and C. B. White.

EDITORIALS

THE DISINHERITED

Disowned as King by his own cabinet, Leopold of Belgium has poined that sorry little group of modern monarchs who promised their people with patriotic fervor to fight to the end—and almost immediately capitulated to the enemy.

A few of the faithful, close to the royal personalities, may know the reasoning that precipitated such surrender—the unrelenting pressure of both friends and enemies; the dark anxiety over the ultimate outcome for their people; the weight of personal responsibility for continuing or halting the surging wave of bloodshed. The multitudes, however, throughout the civilized world, consider the action, for whatever reason, discreditable and unheroic.

Of the latest kingly order to lay down arms, friends and acquaintances of Leopold in California state their opinions. Says William Randolph Hearst, "Leopold, in the decision between sacrifice and dishonor, chose dishonor—very unlike his father in 1914." Says Jerd F. Sullivan of San Francisco, who saw service in World War I and knows the Belgian monarch intimately, "The bitterest condemnation that can be made of Leopold, is that he is both headstrong and temperamental. Unstrung at sight of slaughter of his people, he gave the order without thinking of the damning effect of surrender or its full cost to Belgium and its allies. Certainly not soldierly nor heroic, but perhaps more human than we know."

Leopold, Christian, and Wilhelmiana—heroic history will have no place for them, for history is hard; it has no place for extenuations. In a world that has too little understanding and too much of intolerance, it remains for each man, before too bitter exhortation, to consider how strong his own determination in battle would be, with the blood of his subjects, neighbors or friends drenching his feet.

CALIFORNIA LEADS

To some seven million persons, California is just home, albeit an intriguing and colorful one. To the rest of the country it remains the stellar attraction on all tourist roads. A national survey, just completed, finds California, Mexico, the West Indies and South America, winning the hearts and votes of vacation-bound Americans—in just that order. Let skeptics say what they will—California still has IT.

WATCH THAT MATCH!

This is the season when the Fire Demon comes forth from his wintry lair, eager to ravage beautiful forest areas, pasture lands and hunting grounds, leaving behind rootless, blackened slopes to invite floods, waste and erosion.

The Fire Demon takes a very recognizable shape. He lurks in every burnt match tossed away unbroken, in every smoldering campfire left unextinguished, in every burn-off left improperly protected. His greatest ally is carelessness.

Of 4730 forest fires which occurred during the major part of the season in California last year, 4219 were man-made—sorry tribute to the damage done by smokers, campers, hunters and brush burners whose carelessness destroyed nearly half a million acres of forest land and killed thousands of game animals, birds and fish.

These acts of carelessness in 1939 made barren, scarred lands of at least 12 of the state's scenic areas, and did nearly one million dollars' damage. California as a state is the poorer for it, and so are her outdoor vacationers who are now deprived of enjoyment that would otherwise be theirs. Let all forest users determine this year to fight fire with thoughtfulness, remembering that a carelessly thrown match or inadequately damped fire may cause irreparable loss.

With vigilance, we can fight and conquer the Fire Demon!

Political Personalities

— REPUBLICAN —

H. STYLES BRIDGES

Although he is only 41, Sen. Bridges emphasizes his record as governor of New Hampshire and his middle-of-the-road progressivism in his campaign for President. He once visited Truckee while touring the west.

— DEMOCRATIC —

ROBERT JACKSON

Jackson is one of the better legal minds of the nation. He is attorney general and a close friend of the President. His New York origin keeps him from being a vice presidential candidate on a third-term ticket. He is a dark-horse candidate.

Politically Speaking

by JOHN W. DUNLAP

United Press Staff Correspondent

SACRAMENTO, June 6 — (U.P.)—The governor's signature on the \$24,347,000 stop-gap relief bill officially ended the stormy progress of the measure through the legislature but it didn't stop the name-calling and reverberations.

From now until the next relief bill is voted in 1941, there will be charges and counter charges galore. The administration has started the ball rolling with announcement that several hundred administration employees must be laid off because of the restrictions of the bill. The anti-Olson forces were quick to reply that the same tactics were used in February in an effort to embarrass legislators who voted for relief cuts.

It seems impossible to divorce politics, particularly in an election year, from relief. For that matter, the governor had no intention of signing the bill but he was forced to in view of the fact that a five-day interval might have elapsed between June 1 and 5 without relief funds. The February appropriation ended June 1. The new bill would become effective on the 5th without his signature. There was no other alternative than to sign the bill, with it clearly understood he disliked it thoroughly.

There was varying reaction to two important changes just made in the governor's cabinet. For the naming of George Knox to the vacant post of state baking superintendent, the governor received general praise. Knox has been identified with the Hibernia Bank for 41 years. He succeeds the late E. W. Wilson.

In the ousting of Dr. Walter Dickie as state health superintendent, the governor stepped on some toes. Dr. Bertram Brown, the Hollywood physician given the post, was credited by Olson with having an outstanding record and sufficient qualifications to meet the rigid standards of Sur-

Know Your AMERICA

(Ed. Note: This is one of a series of short articles taken from data compiled for scenes of "America! Cavalcade of a Nation", theme spectacle of the 1940 California World's Fair.)

There were only about 300,000 people in the American Colonies as the seventeenth century drew to a close. Most of them lived in the neighborhood of the original settlements: the Connecticut and Hudson valleys, the region about Boston, Philadelphia, the Jamestown peninsula and Charleston. Travel from colony to colony was rare due to the absence of roads and to the danger of attack by Indians. Strangely, each colony was more closely in touch with England and the West Indies than with its neighbors in America. At this time no attempt at union or co-operation was made by the colonies, except for the New England Confederation.

geon General Thomas A. Parran. Dr. Dickie has many friends, however, and there may be recriminations. He held his post for 16 years under five governors and many of his supporters hoped he would hold it under Olson.

There are other shifts pending in the Olson official family, some of which are expected while the governor is in the south on his current business trip.

It's several weeks away, but Lieut. Gov. Ellis E. Patterson is going to be governor of California.

When Gov. Olson heads the Democratic delegation to Chicago in July, Patterson will be in charge of the state government. It isn't likely he will take advantage of his position and do anything that would be embarrassing to Olson. But Patterson is a good campaigner and will get some publicity out of the short reign

OUR WEEKLY SERMON

by REV. C. B. NORDLAND
(Meady Bible Institute of Chicago)

TEXT—But as truly as I live, all the earth shall be filled with the glory of the Lord—Numbers 14:21.

Many, many centuries have passed since these words were spoken by God to His faithful servant, Moses. Much has transpired in the world's history, and it would seem, as the world is plunged again into a conflict that threatens the existence of our present civilization, that the promise given by God is utterly impossible of fulfillment.

The student of history looking back over the centuries sees kingdoms arising only to fall, civilizations attaining to great heights only in turn to disintegrate. The history of mankind is the history of conflict, war and oppression. There has hardly been a time in the history of the world when peace has been an actuality.

There have been times when the earth seemed to have a glory, but many of the cities and nations which felt that they had attained to a condition that bordered on the Utopia, now lie buried beneath the dust, and are revealed to the eyes of men only as the archaeologist takes his spade and uncovers again the long forgotten ruins of things that used to be.

Or would it seem that in the realm of sin and death any marked progress has been made toward the realization of a promise of an earth filled with the glory of the Lord. Such a promise presupposes the ultimate victory of a great God over those things that make for chaos and ultimate destruction, sin and death. The forms of sin may change, but the wickedness of men's hearts continues to express itself in new ways and in manners more gross than ever before.

Fear seems to be a dominant factor in the life of men, and perhaps in this day as never before it is becoming literally true that "men's hearts are failing them for fear."

But John has a word for such a day as this. He said: "This is the victory that overcometh the world, even our faith." Ours is a God who cannot lie. He is one who makes even the wrath of men to praise Him. It is well to remember in such a day as this that our God who has made the promise is abundantly able to fulfill that promise, and though the time would seem to be inauspicious, these very days make it imperative that the intervening hand of God shall

in behalf of his candidacy for United States Senator.

For that matter, Patterson could have been going along with the Democratic delegation if he hadn't bolted the Olson ticket. And despite the rather crushing defeat suffered by his left wing slate, he feels that the publicity did him more good than the defeat did harm.

Cycles run in politics like everything else. With the war crashing around the ears of the world, Hollywood movie producers are working overtime to get war pictures on the screen. And during the legislature somebody bobbed up with a new resolution on war almost with every edition of the papers. The emphasis on war was one reason why about a hundred and a half resolutions went over the desk in two short weeks.

Probably no legislature got as little news attention as the special session just ended, because of this same war. The newspapers had little space for rambling resolutions out of Sacramento and news-wise correspondents saved them the trouble by holding the lengthy arguments to a line or two. Many newspapermen suspect that the urge to make a speech for the home town paper motivates most of the lawmakers. Denied this attention, there was some emphasis on business and the session ended in two weeks instead of the scheduled three or four.

be revealed.

The child of God has a glorious hope. There is a Prince of Peace whose name is Jesus Christ. He promised to return to His people and establish a kingdom of everlasting peace. An ever darkening day prefigures the soon coming of a brighter dawn. "When these things come to pass," said Jesus, "then look up... for your redemption draweth nigh." Men cannot bring order out of chaos, but our God who lives will yet perform His promise; therefore, be of good cheer, of quietness in mind and heart, and through faith look up and have hope.

TAHOE SCHOOL NOTES

Daily orchestra practise will begin at the school on Tuesday with the arrival of Otto Fox and will be given every school day except Friday.

School vacation will start on June 19th for Tahoe students and will last until July 29th.

Tahoe Branch of Placer Union High School will sponsor the presentation of the play The Show Off by the Truckee Lions Club Players at the school auditorium on Monday, June 10th at 8 p. m. A percentage of the gate receipts will be given to the Tahoe chapter of the American Red Cross.

H. I. Snider of the forest service at Truckee exhibited moving pictures of service activities at the school last Wednesday afternoon. Included were reels on nurseries, soil erosion and winter sports.

Tahoe high school students will entertain at a dance in the auditorium Friday night.

TAHOE RED CROSS GETS \$117 IN RELIEF DRIVE

TAHOE CITY, June 6— The Tahoe chapter of the American Red Cross men at the community center on Wednesday for a day of sewing.

Members and friends brought their lunches and spent the day.

An extensive campaign is underway by workers around the lake in soliciting contributions for the war relief fund quota. Total contributions to the Tahoe chapter on Tuesday was \$117.65. Contributors included:

Three anonymous donors, Mrs. George Gates, Paine's Mercantile, Elmer Remmer, John Rayburn, Joe King, Mr. and Mrs. N. R. Mayfield, Mrs. A. P. Crist, Mr. and Mrs. Matt Green, Mrs. Henry Wehrman, Carpenters Union No. 2035, Mrs. Douglas Smith, Mrs. E. W. Bliss, Miss Susan Craig, Mrs. Martin Spitzen, Mrs. Charles Warner, Mrs. Fred Anglade.

Carlo Vanni, Mrs. Oscar Quam, Glen Wall, Bill Turnage, L. E. Ellington, Frank Nease, Cliff Turnage, Miss June Sherman, Mrs. A. M. Anderson, Pedro Eguino, Mrs. Franklin Nease, Sam Land, Miss Celeste Planett, Jane's Coffee Shop, Mrs. Bert Watson, Miss Ida Pomin, Mrs. Gerda Kvistberg, Mrs. Otto Darlin, Mrs. J. T. Edley, Mrs. Willis Hevel, Mrs. John Burns, Truckee-Tahoe.

Tahoe Ski Club Holds Social Evening at Center

TAHOE CITY, June 6— A social evening and dance was given at Tahoe Community Center on Friday night by the Lake Tahoe Ski Club. Over 50 members and guests were present. Mrs. Sam Goss of Lake Forest was hostess of the evening, serving tasty refreshments to the group at midnight.

A spring card party and dinner will be given by the organization at the center on Saturday night, June 8th, with Mrs. Stella Watson acting as hostess. Many novel ideas will be features of this affair. Dinner will be served from 6:30 to 7:30 with bridge and pinocle following.

MAXIME CUM LAUDE

Miss Mary Ellen Joyce of Juntura, Ore., selected her class flower, was valedictorian, class hitsorian, poet prophet and held all offices in the local graduating class. In brief, she was the only graduate. She had a regular graduation and an out-of-town speaker.

Lumber company, Lyond's Drug, Mrs. E. C. Rogers, Henry Droste, Tahoe Community Center, Mrs. Philip Gallingier and Mrs. George Hinkle.

TAHOE NEWS BRIEFS

Mr. and Mrs. Robert Wallace of Tahoe City are parents of a small daughter born in Reno on Sunday, June 2d. This is the second daughter in the Wallace family. He is foreman of the state highway camp at Tahoe City.

Mr. and Mrs. Herman Woolley of Reno with their daughter, Barbara, spent Sunday at the home of her parents, Mr. and Mrs. E. H. Pomin. Miss Lillian Vernon returned from a visit with her friend, Miss Marilyn Stickney at Mount Shasta on Saturday.

Dr. and Mrs. George Hinkle spent the week-end in San Francisco.

Dr. and Mrs. Henry Searls of San Francisco entertained a house party of guests in their Carnelian Bay home over the week-end.

Frank Fuller of San Francisco flew up for the week-end at the C. W. Merrill home in his amphibian.

Miss Elizabeth Ashe of San Francisco spent the week-end at her lake-shore home near Tahoe City.

Mrs. Thomas Kent of Kentfield presented the Tahoe Branch Library with a fine copy of Wild Flowers of California by her aunt, Miss E. Parsons, last week.

Mrs. Sidney Ehrman opened her home at Pine Lodge for the holiday.

Mr. and Mrs. Silas Pierson with their daughter, Blanche, returned to Tahoe from Oakland for the season last week.

J. Hancock of San Francisco is vacationing at Tahoe Inn.

Ranger Charles Arment, Ray Barton and Dennis Gordon were called Wednesday last to extinguish a fire at Watson Lake but light showers had already put it out before their arrival.

Ranger Charles Arment left Saturday for Government Island in the Oakland estuary where he will take delivery on a new fire truck for Tahoe Park public camp.

Tahoe Tavern golf links has been undergoing extensive improvements to traps and course recently.

Tahoe voters are reminded of the school election to be held at Tahoe Lake School on Friday, June 7th, from 1 to 5 p. m. Two candidates for the office of elementary school trustee are Mrs. Northrop Pomin and Tejas Edwards.

Children of the Tahoe Sunday school are practising a playlet entitled Let the Little Ones Come which they will present on Children's day.

Contribute to the Red Cross

Lake Statistics Show Ideal Vacationist Conditions

TAHOE CITY, June 6— The level of Lake Tahoe on Monday, June 3, was 6223.04 feet with .09 inch of moisture received from storms during the past week. Temperatures on Sunday varied from 37 to 62 degrees. Much added run-off is anticipated to bring the lake considerably higher during June from snows still on the higher peaks above the 7000 feet level. Ideal weather prevails at the lake where mountain flowers are at their

loveliest. Traffic was very heavy all around the lake over the Memorial Day week-end and summer homes were occupied by many owners who entertained house parties. Opening of the creeks emptying into the lake on May 30th brought many fishermen good luck. On Ward Creek Ranger Charles Arment reported fishing excellent with several anglers bringing in limits on opening day.

Tahoe Women's club will meet at the Community Center on Thursday, when officers for the year will be elected.

PONTIAC BUILDS ANOTHER MILLION CARS!

NO WONDER PONTIAC IS HAVING THE BIGGEST YEAR IN ITS HISTORY!

PONTIAC VOLUME GIVES CAR BUYERS ALL-TIME HIGH IN CAR VALUES!

THE FIRST PONTIAC (1926)
Base price, \$899. Wheelbase, 110 inches. Horsepower, 36. Weight, 2320 lbs. Price per H. P., \$24.97. Price per lb., 38 1/2 cents.

THE 1940 PONTIAC
Base price, \$783. Wheelbase, 117 inches. Horsepower, 87. Weight, 3195 pounds. Price per H. P., \$9.00. Price per pound, 23 cents.

PONTIAC is built to order for people who want to make a change from small cars! That's why Pontiac, which passed the 2,000,000-car mark this week, is having the greatest year in its history!

Ask any one of the thousands of small car owners who have changed over to Pontiac this year why he did so and he'll tell you plenty!

He'll say, first, that Pontiac is a big car, with all the advantages only big cars can offer. Big-car size—a big-car ride—big-car luxury and performance. But most important of all, he'll say that Pontiac, in spite of its extra size and value, is just as easy to buy and just as economical to operate as his former small car!

Come in today and let us prove to you that, if you can afford to own and operate any new car, you can afford a Pontiac!

\$783 FOR THE SPECIAL SIX BUSINESS COUPE (Other Models Slightly Higher) delivered at Pontiac, Michigan. Transportation based on rail rates, state and local taxes (if any), optional equipment and accessories—extra. Prices subject to change without notice. A General Motors Value.

McIVER'S GARAGE

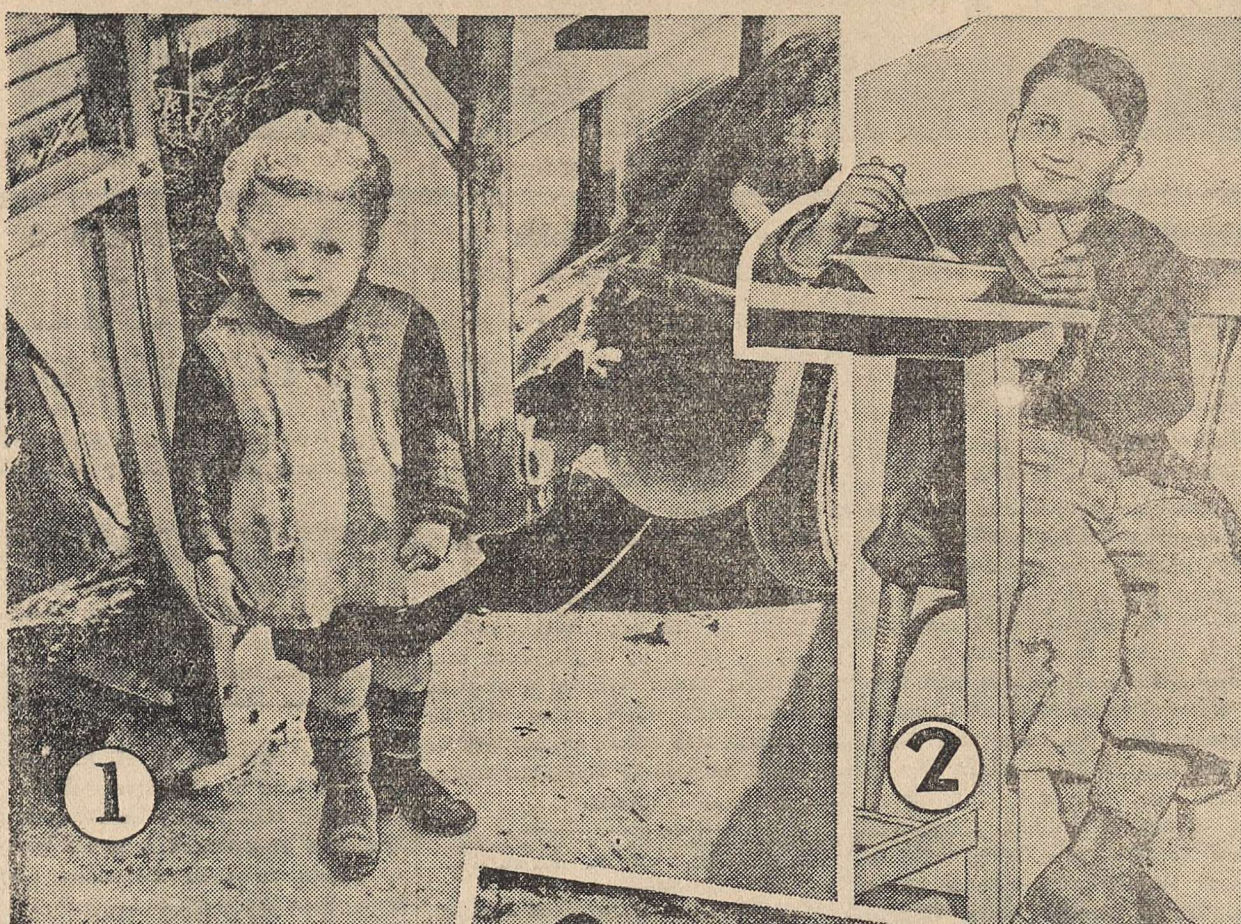

Commercial Row & Bridge Street

Truckee, Calif

In a speech before the Michigan state Republican convention, Sen. A. H. Vendenberg made the following statement in accepting the convention nomination to the presidency:

"I must take cognizance of the fact that Michigan Republicans voluntarily did me the great honor 13 months ago of suggesting my availability for higher office. No man could be insensible to this compliment of his own neighbors, and I could not occupy the rostrum today without frank reference to the situation the results—though I speak with the complete consciousness that the fortunes of any individual amount to less than nothing in comparison with the fate of the republic. I have been too familiar with my own limitations—and with the obligations of what, in effect, will be the greatest re-

Refugee Children, Innocent War Victims, Appeal to America's Heart for Survival

"DEATH-DEALING airplanes ride the skies. The carnage of their creation sweeps many lands. Armored tanks and motorized artillery roll across whole countries destroying, as in a blight, all standing in their way. Cattle, crops, homes, people—innocent and defenseless children—stand in fear, then in despair, only to fall into destruction. Some will live. They must be aided to endure, to struggle on, to survive."

This was the message directed to America's generous heart by Chairman Norman H. Davis of the American Red Cross, in asking prompt contributions to a \$10,000,000 war relief fund to be spent by the Red Cross for help to military and civilian wounded, and the homeless people of the warring nations.

"We must send relief as needed and not to late to be of use," Mr. Davis said. "We must send clothing, bedding, shoes, medications, surgical dressings and food."

Before the most recent devastation of neutral countries by aerial blitzkriegs was begun, the American Red Cross had sent 320,000 garments, knitted sweaters and hospital clothes for the women and children victims in England, Finland, France, Germany-occupied Poland and for Polish refugees in other countries. To the Red Cross

Bombed from their homes, these young victims of ruthless war have received Red Cross help. 1. Little Belgian evacuee; 2. A Polish refugee lad, thankful for his Red Cross shoes; 3. English children, evacuated from their homes, proud of their Red Cross dresses.

societies of the nations engaged in battle, the Red Cross sent 933,000 surgical dressings. These garments and surgical dressings were made in 1,500 Red Cross Chapters throughout America. In addition, the American Red Cross purchased medicines, shoes, blankets, knitted underwear and almost a thousand other items at a cost of \$1,500,000 for shipment to the Red

Cross societies of belligerent nations. But with destruction, suffering, and thousands of wounded added each day to the frightful toll of war as new nations became involved, the American Red Cross appealed to the nation for at least a ten million dollar relief fund. Contributions can be made to the local Red Cross Chapter in any community in America, Mr. Davis said.

FORESTERS BEGIN TAHOE RANGE STUDY

NEVADA CITY, June 6—A party of 15 technical foresters, headed by George Fischer, is now engaged in typing and mapping the cattle and sheep ranges of the Sierraville district on the Tahoe National Forest, according to Guerdon Ellis, supervisor at Nevada City. The actual grazing capacity of both private and government land within the district will be arrived at scientifically and recorded for future use together with such other data as will assist in administration, designed to secure maximum use consistent with conservation of range forage as a permanent resource. The work is being done under the supervision of Adelbert Fausett, associate forester in charge of range surveys for the California region of the forest service.

The Truckee district of the forest service will receive some attention before the end of the season and it is planned that approximately 400,000 acres will be surveyed altogether.

**Better Light
HELPS KEEP
EYES RIGHT!**

PEOPLE say modern lighting that is "easy on the eyes" makes the eyes feel better... And they are right... Good lighting brings out the beauty of the home furnishings... It adds personal beauty, too.

Light that is glaring brightness or that is dim and gloomy makes hard work of seeing. It causes squints and frowns and scowls and brings on many premature wrinkles and face-lines.

Good, modern lighting merely means the right kind of light, and the right amount of light where you read or sew or use your eyes. And you can have it easily, quickly, inexpensively.

PLACERVILLE WOMAN IS SENATE CANDIDATE

SACRAMENTO, June 6 —(U.P.)— The California State Senate may seat its first woman member next January, if the campaign announced this week by Mrs. Jessie E. Madden of Placerville is successful.

Mrs. Madden announced she would run for the senate seat vacated when former Senator Andrew Pierovich

was appointed superior judge of Amador county. The district includes El Dorado, Amador and Alpine counties.

Mrs. Madden has served as an employee of the legislature for two sessions and has worked in the state department of agriculture and other state departments. She is the wife of a Placerville pear orchardist.

Photo Grace Line

WHO'S AFRAID TO GO CRUISING?

NOT Yvette. For Captain Alf Adler of the Santa Paula showed her how American flags are used to protect American ships at sea. This one is on the boat deck where it is easily seen from the air. Two others are on the sides of the hull where all passing ships can see them and know that they are neutral. Yvette is the daughter of William A. LaVarre, an explorer. Although her father and mother have made scores of voyages to out-of-the-way places on the globe, Yvette never traveled on a ship until the last Christmas holidays when she was given a 12-day Caribbean cruise as a present on the ship shown here.

"Some of my school friends asked if I wasn't afraid of submarines," Yvette told reporters at the pier. "But I told them my daddy knows all about ships because he and

mother travel so much, and he'd never take us on one if it wasn't all right. I had a wonderful time!"

Yvette found a group of congenial playmates on the ship—there were several children among the passengers. The number of children on board as well as the number of parents who had left their children at home would seem to indicate that they at least had no worries about sea travel in this half of the world. In fact, it was learned, 57,000 people have cruised to the Caribbean and to South America since the outbreak of the war—evidently subscribing to Admiral Land's idea that: "the American flag is the greatest protection in the world today. . . . The waters of the western hemisphere for ships under the American flag are safe and will be safe."

EDNA MAE STARK.

ONE FOURTH OF AGED ON STATE PENSIONS

SACRAMENTO, June 6 —(U.P.)— More than a fourth of the estimated population of California 65 years of age or over are now receiving aged aid payments, Director of Social Welfare Martha E. Chickering reported this week.

Payments totalling \$5,275,548 were made to 138,796 persons during April, representing an increase of 1.4 per

MOUNTAIN LION DEN NEAR SODA SPRINGS

NEVADA CITY, June 6 —A. R. Ward, caretaker at the Palisade club near Soda Springs, has an uninvited and unwelcome neighbor according to report given by him to District Ranger John R. Hodgson at Big Bend ranger station.

Ward reports that a mamma mountain lion has moved into a cave just below the group of recreation cabins at the club and apparently has had a blessed event. Ward did not attempt to go into the den to pet the kittens but his dog got too inquisitive and took a pretty swift run out of the neighborhood. Dog and lion tangled too close to Ward for comfort so he left too. On the way back

cent over March. Of the total, the federal government contributed \$2,637,774, the state \$1,322,325 and the 58 counties, \$1,315,448.

California's average payment was \$38.01, the highest of any state. Colorado was next with an average of \$30.71.

During the month of April, a total of 7060 blind persons received aid payments amounting to \$339,344, and 41,423 needy children were given aid totalling \$785,761, Miss Chickering reported.

For Nevada county, 438 aged persons received aid totalling \$17,338 during April; 19 needy blind persons received \$925, and 139 needy children were paid \$2,414.

Local Men Serving On Pro-Johnson Committee

HIRAM W. JOHNSON

STATE HATCHERIES FILLED TO CAPACITY

SACRAMENTO, June 6 —(U.P.)— Planting of game fish in California lakes and streams reached a new peak during May, with a total of 772,092 trout and 212,000 salmon planted from hatcheries, Alan C. Taft, chief of the bureau of fish and game, reports.

State hatcheries have on hand 31,516,504 eggs and fry of rainbow, eastern brook, Loch Leven and steelhead trout and 1,334,029 king and silver salmon and 75,237 smallmouth black bass.

Because of the large number of fish on hand, it will be necessary to continue planting. Basin Creek hatchery is crowded to capacity.

Fort Seward hatchery men planted 399,000 king salmon in Fort Seward Creek, tributary to Eel River, Tahoe and Tallac hatcheries are heavily laden with fish. Steelhead at Brookdale hatchery are making exceptional growth and 300,000 have been placed in rearing ponds to obtain maximum growth before planting.

A total of 62,000 fish, averaging 10 per ounce, or about five inches in length, were planted from the Forest Home and Mountain Home hatcheries in Southern California during April.

Contribute to the Red Cross

Hiram W. Johnson's campaign for re-election to the United States Senate got under way this week in Nevada county.

Testimonial committees for the veteran senator were announced in all counties north of the Tehachapi.

"These testimonial committees show the widespread non-partisan support that exists for Senator Johnson," declared Robert E. Girvin, San Francisco, campaign manager for northern and central California. "We intend to have active working organizations in every county in the state."

Senator Johnson announced several months ago he would seek both the Republican and Democratic nominations at the August 27th primary.

Nevada county testimonial committee members are Paul Ullrich, Chico, ago Park; Thomas Barrett, T. W. Benallack, Ralph Deeble, Elton Williams, all of Grass Valley; Dave Cabona and Walter Barrett, Truckee.

SACRAMENTO, June 6 —(U.P.)— During the month of April, a total of 303 noxious weed seeds and other plant pests representing 97 species of insects were intercepted at California border plant quarantine stations, the bureau of entomology and plant quarantine reported today.

Leave Truckee—

Mr. and Mrs. J. E. Simmons left the local quarantine station for Yuma, Arizona, last week.

Visiting Sister—

Jesse G. Lewellen of Fort Worth, Texas, is visiting with his sister, Mrs. George L. Johnston, and family here.

Recovering—

S. A. Follett is recovering from his recent illness in the Southern Pacific hospital in San Francisco.

Away for Week-end—

Mrs. O. B. Wergeland spent the week-end in Auburn and San Francisco.

Vacation—

E. P. McCann of the highway patrol here is enjoying a vacation which will extend to June 25th. He plans to spend some time fishing in the streams in this vicinity and will take a trip to valley points.

Wedding Anniversary—

Mr. and Mrs. H. I. Snider observed their 19th wedding anniversary on June 4th. Mrs. Snider will return home from Reno where she is recovering from an appendectomy.

Memorial Day Visitors—

Among the Memorial Day visitors here were Mrs. E. Jordan of Sacramento; Mrs. John Titus, Woodland; Mrs. H. S. Eaton, Roseville; Mrs. William Hilton, Sacramento; Mr. and Mrs. Hilton Eaton, Sparks; John Cook, Sacramento and Mrs. May Mathewson of Reno.

To San Jose Home—

Mrs. S. R. Cupples returned to her home in San Jose on Wednesday following a week's visit with Mrs. McKay and relatives in Reno.

Here May 30th—

Mrs. G. H. Hinkle was in from Tahoe City for Memorial Day.

San Diegan Here—

George Wheeler of San Diego was at the home of Mrs. Jennie Watkins a few days last week.

HARTS ENTERTAIN

Mr. and Mrs. Harold Hart entertained the following guests from Reno and Loyalton at a buffet supper on Tuesday evening preceding graduation exercises at the grammar school: Mrs. L. J. Hart, Prof. John P. Gottardi, Mrs. Elsie R. Johnson, Mr. and Mrs. James Lamb, Mr. and Arthur L. Marks, Mr. and Mrs. Jack O'Neil and Mr. and Mrs. P. L. Galardi and son Milton.

ESCAPES INJURY

Eddie Martinez, Lake Tahoe employee of the Sierra Pacific Power company, escaped with minor injuries Monday night when the car he was driving got out of control and overturned on the Truckee-Tahoe highway.

BOAT IS STOLEN

WOODLAND, June 6— Hampton E. Roberts reports thieves stole his power boat from Tahoe Pines. He had planned to use the boat for fishing on Sunday.

Tea For Graduates—

A tea honoring the graduates of Meadow Lake Union high school was given yesterday afternoon in the domestic science rooms by the class under the supervision of Mrs. Emma Sorenson.

Birthdate Observed—

W. F. Wilkie, Sr., observed his birthdate on Tuesday, June 4th.

Marriage License—

Waldo Campbell of Emigrant Gap claimed as his bride Ruth Vendermark of Chetopa, Kan., at Reno on June 3rd, according to a report from that city.

Birthday Today—

Mrs. George Pace is observing her birthdate today with members of her family.

IT'S A BOY

Mr. and Mrs. Walter Ashton are receiving congratulations from their friends upon the arrival of Walter, Jr., at a Reno hospital on Sunday, June 2nd. The husky lad weighed 7 1/2 pounds and the latest report from the happy father was that the mother and son are progressing well.

FLEMING IN HAWAII

Mrs. L. Allen received a letter from her nephew, Ernest Fleming, Jr., who is stationed at Pearl Harbor, Territory of Hawaii, with the U. S. Navy. He is at the Pearl Harbor Naval air station and is highly pleased with the work.

Fleming is a former local resident, having attended local schools.

GAME PATROL MEETS

The last meeting of the Truckee Junior Game Patrol was held near Hobart Mills, following a picnic supper. The boys played baseball during the afternoon instead of going swimming as planned.

It was decided that there will be no meeting tonight but one will be held next Thursday.

Funeral services were held in Sacramento Wednesday for Ray Porter Doan, 60, a native of Boca.

Burial was in the Masonic Lawn cemetery. Two sisters, Mrs. J. O. Toby and Mrs. Adeline Heidt, of Sacramento survive.

Birthday Tomorrow—

Miss Olga Owens will observe her birthday tomorrow at Columbia Hill where she is teaching school.

The Chamber of Commerce—

will hold its weekly luncheon at the Pastime Cafe on Monday at noon.
